Welcome to Amos

Amos announces judgment against the nations and confronts Israel’s injustice, complacency, and empty worship. The prophet calls the people to seek the LORD and hear His word, while the closing chapter looks toward restoration.

This book follows all nine chapters in order. Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the passage before or after your search, and consider each word in its setting.

Follow the opening judgments, the rebukes against oppression, and the visions of locusts, fire, a plumbline, and summer fruit. Notice the connection between worship and righteous conduct.

Read the warnings and promises within their surrounding passages. Let the whole message guide your reflection on accountability, mercy, and the LORD’s rule over His people and the nations.

“But let judgment run down as waters, and righteousness as a mighty stream.”
Amos 5:24 (KJV)

How to Use This Book

Read the chapter
Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions
Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery
Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling
Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys
Keys begin on page 16. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably
Print at actual size on letter paper. Puzzles are on pages 7–15; keys are on pages 16–24. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all nine chapters of Amos, encountering words of justice, judgment, warning, and restoration. Return to the passages that drew your attention and read them within the complete message of the book.

Consider these questions as you reflect:

- How does Amos expose injustice and complacency?
- What does it mean to seek the LORD and live?
- How does the book connect worship with righteous conduct?
- Which passage will you study more closely or memorize?

“For thus saith the LORD unto the house of Israel, Seek ye me, and ye shall live:”
Amos 5:4 (KJV)

Continue into Obadiah to consider the warning against pride and violence toward a brother, and the declaration that the kingdom shall be the LORD’s.
