Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 34 chapters of Deuteronomy, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Deuteronomy in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Deuteronomy

Deuteronomy records the words Moses spoke to Israel as the people stood ready to enter the land God had promised. He recalled their journey, repeated God's commandments, warned against unfaithfulness, and urged them to love and obey the LORD.

These puzzles follow all 34 chapters in order. They move from the review of the wilderness years to instructions for worship and daily conduct, the blessings and curses of the covenant, the commissioning of Joshua, the song and blessing of Moses, and the account of his death.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. The answer key gives a verse reference for every word so you can find its setting in the biblical text.

As you read, notice the repeated calls to remember, hear, teach, love, and obey. The details of Israel's past were to shape the way the people lived, worshipped, and instructed their children.

"And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might."

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Deuteronomy in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, KADESHBARNEA and PLAISTER preserve KJV wording. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 41. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–40 for puzzles alone; pages 41–74 contain the keys.

The Journey Continues

You have completed all 34 chapters of Deuteronomy, from Moses' opening review to the closing account of his death. The words in these puzzles have traced Israel's history, covenant responsibilities, and preparation for life in the promised land.

Deuteronomy joins remembrance with obedience. Israel was to remember what God had done, teach His words to the next generation, reject false worship, and practice justice in everyday life.

Near the close of his address, Moses set the choice before the people:

"I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:"

Deuteronomy 30:19 (KJV)

Return to the chapters that prompted questions or reflection. Notice how the call to love God is expressed through hearing His word, remembering His faithfulness, and walking in His ways.

Continue into Joshua to follow Israel across the Jordan and into the land God had promised.
