Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 40 chapters of Exodus, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Exodus in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Exodus

Exodus records the deliverance of Israel from Egypt, the giving of the law at Sinai, and the building of the tabernacle according to God's command.

These puzzles follow all 40 chapters in order. They follow Moses and Aaron before Pharaoh, the Passover, the crossing of the sea, the wilderness journey, and the covenant at Sinai. The final chapters trace the preparation and construction of the tabernacle. Names, places, objects, and significant words give each chapter its own vocabulary.

The purpose is simple: enjoy the search while becoming more familiar with the words of Scripture. Read the corresponding chapter in your KJV Bible before or after working each puzzle. A name that seems unfamiliar in the grid may become memorable when you discover its place in the chapter.

Use this book for personal recreation, family Bible reading, or a class activity. Work at your own pace. Completing the puzzle is satisfying, but understanding the passage gives the activity its lasting value.

“The LORD shall fight for you, and ye shall hold your peace.”
Exodus 14:14 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Exodus in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. Hyphens are removed: for example, Jehovah-nissi appears as JEHOVAHNISSI.

Use the answer keys

The answer section begins on page 47. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–46 for puzzles alone; pages 47–86 contain the keys.

The Journey Continues

You have followed Exodus through all 40 chapters: from the oppression of Israel in Egypt to the Passover, the crossing of the sea, the giving of the law, and the completed tabernacle.

The words in these puzzles belong to a connected history of deliverance, worship, and covenant responsibility. God heard the cries of His people, brought them out of bondage, instructed them in His ways, and commanded a sanctuary in which He would dwell among them.

The book closes with the glory of the LORD filling the tabernacle:

“Then a cloud covered the tent of the congregation, and the glory of the LORD filled the tabernacle.”

Exodus 40:34 (KJV)

Return to the chapters that caught your attention. Read the surrounding verses for the words you found. Notice the contrast between faithful obedience and unbelief, the care required in worship, and the faithfulness of God throughout the journey.

The puzzles are complete, but the reading need not end. Continue into Leviticus to follow the instructions for worship and holiness that come next in the biblical record.

Reading Notes

Record a verse, a question, or something you learned while reading Exodus.
