Welcome to Ezekiel

Ezekiel presents visions of the glory of God, warnings of judgment, and promises of restoration. Speaking among the captives, the prophet calls the people to recognize the LORD and turn from their sins.

This book follows all 48 chapters in order. Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the passage before or after your search, and consider each word in its setting.

Follow Ezekiel's call, his symbolic actions, the messages concerning Jerusalem and the nations, and the promises of a new heart and renewed life. The closing chapters describe a temple, its worship, and the restored land.

Read visions, symbols, and prophetic promises within their surrounding passages. Notice the repeated declaration that the people and nations shall know that He is the LORD.

"A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh."

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Keys begin on page 57. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 9–56; keys are on pages 57–104. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all 48 chapters of Ezekiel, encountering visions, warnings, symbolic actions, and promises of restoration. Return to the passages that drew your attention and read them within the full message of the book.

Consider these questions as you reflect:

- What does Ezekiel reveal about the glory and holiness of God?
- How does the prophet call people to personal responsibility?
- Which promises of renewal and restoration stood out?
- Which vision or passage will you study more closely?

“And ye shall be my people, and I will be your God.”

Ezekiel 36:28 (KJV)

Continue into Daniel to encounter accounts of faithfulness in exile and visions that proclaim God’s rule over the kingdoms of men.
