Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 50 chapters of Genesis, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Genesis in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Genesis

Genesis is the book of beginnings: the creation of heaven and earth, the beginning of human life, the entrance of sin, and the unfolding history of the families through whom God carried forward His purposes.

These puzzles follow all 50 chapters in order. They lead from the Garden of Eden and the days of Noah to the lives of Abraham, Isaac, Jacob, and Joseph. Names, places, objects, and significant words give each chapter its own vocabulary.

The purpose is simple: enjoy the search while becoming more familiar with the words of Scripture. Read the corresponding chapter in your KJV Bible before or after working each puzzle. A name that seems unfamiliar in the grid may become memorable when you discover its place in the chapter.

Use this book for personal recreation, family Bible reading, or a class activity. Work at your own pace. Completing the puzzle is satisfying, but understanding the passage gives the activity its lasting value.

“In the beginning God created the heaven and the earth.”
Genesis 1:1 (KJV)

How to Use This Book

Read the chapter
Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Genesis in the KJV.

Search in every direction
Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery
Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling
Older spellings and Bible names are intentional. Hyphens are removed: for example, Jehovah-jireh appears as JEHOVAHJIREH.

Use the answer keys
The answer section begins on page 57. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably
Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–56 for puzzles alone; pages 57–106 contain the keys.

The Journey Continues

You have followed Genesis through all 50 chapters: from Creation and the Fall to the Flood, the calling of Abraham, the family of Isaac and Jacob, and the life of Joseph in Egypt.

The names and places in these puzzles belong to a connected history. God created. Humanity sinned. God judged wickedness, showed mercy, made promises, and preserved the family through which His purposes would unfold.

Near the close of the book, Joseph speaks to the brothers who had wronged him:

“But as for you, ye thought evil against me; but God meant it unto good, to bring to pass, as it is this day, to save much people alive.”
Genesis 50:20 (KJV)

Return to the chapters that caught your attention. Read the surrounding verses for the words you found. Notice how people change, how choices have consequences, and how God remains faithful through generations.

The puzzles are complete, but the reading need not end. Continue into Exodus to follow the next part of the biblical record.

Reading Notes

Record a verse, a question, or something you learned while reading Genesis.
