Welcome to Hosea

Hosea exposes Israel's unfaithfulness and proclaims the LORD's call to return. Through the prophet's family, searching accusations, and promises of healing, the book reveals the seriousness of sin and the greatness of divine mercy.

This book follows all 14 chapters in order. Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the passage before or after your search, and consider each word in its setting.

Notice the recurring references to Israel, Ephraim, idolatry, judgment, and restoration. The book calls the people to know the LORD, turn from false confidence, and receive His instruction.

Read Hosea's imagery and symbolic actions within the surrounding passages. Keep both its warnings and its promises in view as you reflect on the whole message.

"I will heal their backsliding, I will love them freely: for mine anger is turned away from him."

Hosea 14:4 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Keys begin on page 21. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 7-20; keys are on pages 21-34. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all 14 chapters of Hosea, encountering words of unfaithfulness, judgment, repentance, mercy, and restoration. Return to the passages that drew your attention and consider them within the book's complete message.

Consider these questions as you reflect:

- How does Hosea describe the consequences of unfaithfulness?
- What does it mean to know the LORD and return to Him?
- Which promises of healing and mercy stood out?
- Which passage will you study more closely or memorize?

“For I desired mercy, and not sacrifice; and the knowledge of God more than burnt offerings.”

Hosea 6:6 (KJV)

Continue into Joel to consider the call to repentance, the day of the LORD, and the promises of restoration.
