Welcome to I Chronicles

I Chronicles begins with genealogies that trace the families of Israel and then turns to the reign of David. It gives special attention to the ark, worship, the service of the Levites, and preparations for the temple.

These 29 puzzles follow the chapters in order. The opening puzzles include many names from the genealogies. Later puzzles follow David's warriors, victories, thanksgiving, arrangements for worship, and charge to Solomon.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Each answer key supplies a verse reference and the location of every word.

Names and their spellings are an important part of this book. Some differ from the forms found elsewhere in Scripture. These puzzles preserve the spelling used in the chapter being studied.

"Seek the LORD and his strength, seek his face continually."

I Chronicles 16:11 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of I Chronicles in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, SHETH and HENOCH retain the spellings found in I Chronicles 1. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 36. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–35 for puzzles alone; pages 36–64 contain the keys.

The Journey Continues

You have completed all 29 chapters of I Chronicles. These puzzles have traced generations of families, the establishment of David's kingdom, and the careful preparations for worship and the building of the temple.

The genealogies place individuals within the continuing history of God's people. The accounts of priests, Levites, musicians, porters, and other servants show the many responsibilities involved in the life and worship of Israel.

"Now therefore, our God, we thank thee, and praise thy glorious name."

I Chronicles 29:13 (KJV)

Return to David's thanksgiving in chapter 16 and his prayer in chapter 29. Notice his acknowledgment that wealth, honour, and strength come from God and that the gifts offered for the temple already belonged to the LORD.

Continue into II Chronicles to follow Solomon's reign, the construction and dedication of the temple, and the later history of the kings of Judah.
