First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 22 chapters of I Kings, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of I Kings in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to I Kings

I Kings begins with the closing days of David and the accession of Solomon. It records the building and dedication of the temple, the glory and failures of Solomon's reign, the division of the kingdom, and the ministries of God's prophets.

These 22 puzzles follow the chapters in order. They include Solomon's request for wisdom, the visit of the queen of Sheba, the conflict between Rehoboam and Jeroboam, and Elijah's witness during the reign of Ahab.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key provides a verse reference and the location of each word.

As you read, notice the importance of a heart devoted to the LORD. Wealth, power, and impressive buildings cannot take the place of obedience. The prophets call the people to recognize the true God and heed His word.

"Let your heart therefore be perfect with the LORD our God, to walk in his statutes, and to keep his commandments, as at this day."

I Kings 8:61 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of I Kings in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, BRASEN and CHAPTERS retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 29. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-28 for puzzles alone; pages 29-50 contain the keys.

The Journey Continues

You have completed all 22 chapters of I Kings. These puzzles have followed the rise of Solomon, the building of the temple, the division of the kingdom, and the witness of prophets who spoke the word of the LORD.

Return to Solomon's prayer in chapter 8, Elijah's prayer on Mount Carmel in chapter 18, and the account of Micaiah in chapter 22. Consider the importance of worship, obedience, and truth when popular opinion points in another direction.

"And when all the people saw it, they fell on their faces: and they said, The LORD, he is the God; the LORD, he is the God."

I Kings 18:39 (KJV)

The histories of Israel and Judah warn against divided loyalties and the misuse of power. They also show God continuing to speak through His servants and calling His people back to Himself.

Continue into II Kings to follow the ministries of Elijah and Elisha and the further history of Israel and Judah.
