Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 31 chapters of I Samuel, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of I Samuel in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

# Welcome to I Samuel

I Samuel follows Israel from the ministry of Eli and the calling of Samuel to the reign of Saul and the rise of David. It begins with Hannah's prayer and closes with the death of Saul and his sons on Mount Gilboa.

These 31 puzzles follow the chapters in order. They trace the capture and return of the ark, Israel's request for a king, Saul's victories and disobedience, David's anointing, his encounter with Goliath, his friendship with Jonathan, and his years as a fugitive.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key supplies a verse reference for each word so that you can return to its biblical setting.

Notice the contrast between outward appearance and the heart, and the importance of obeying the word of the LORD. The accounts invite careful reflection on prayer, courage, loyalty, jealousy, and faithfulness.

"Behold, to obey is better than sacrifice, and to hearken than the fat of rams."  
From I Samuel 15:22 (KJV)

# How to Use This Book

## **Read the chapter**

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of I Samuel in the KJV.

## **Search in every direction**

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

## **Mark each discovery**

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

## **Keep the KJV spelling**

Older spellings and Bible names are intentional. For example, MUSICK and SHEWBREAD retain KJV spellings. Hyphens, if present, are omitted from the grids.

## **Use the answer keys**

The answer section begins on page 38. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

## **Print comfortably**

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-37 for puzzles alone; pages 38-68 contain the keys.

# The Journey Continues

You have completed all 31 chapters of I Samuel. The words in these puzzles have led from Hannah's prayer to Samuel's ministry, from Saul's rise to his tragic end, and from David's anointing to his years of waiting.

Return to the chapters that drew your attention. Consider Samuel's readiness to listen, Jonathan's loyalty, Abigail's wisdom, and David's restraint when he had opportunities to kill Saul.

"Only fear the LORD, and serve him in truth with all your heart: for consider how great things he hath done for you."

I Samuel 12:24 (KJV)

The book warns against substituting outward acts for obedience and judging people by appearance alone. It also records the LORD's care for His people through changing leaders and difficult circumstances.

Continue into II Samuel to follow David's reign, the covenant promises of God, and the consequences of both faithfulness and sin within the king's household.
