Welcome to II Chronicles

II Chronicles begins with Solomon's reign and the building of the temple. It follows the kings of Judah through seasons of faithfulness, reform, disobedience, and judgment, ending with the proclamation of Cyrus.

These 36 puzzles follow the chapters in order. They include the dedication of the temple, Jehoshaphat's prayer, the reigns of Joash and Uzziah, Hezekiah's Passover, Josiah's reforms, and the exile to Babylon.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Each answer key gives a verse reference and the location of every word.

As you read, consider the importance of seeking the LORD, receiving correction, and worshipping according to His word. The book repeatedly contrasts humble dependence upon God with pride and unfaithfulness.

"But be ye strong therefore, and let not your hands be weak: for your work shall be rewarded."

II Chronicles 15:7 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of II Chronicles in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, BRASEN and SHEWBREAD retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 43. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–42 for puzzles alone; pages 43–78 contain the keys.

The Journey Continues

You have completed all 36 chapters of II Chronicles. These puzzles have followed the building of the temple, the reigns of Judah's kings, seasons of spiritual renewal, the tragedy of exile, and the opening of a way to return.

Return to the prayers of Solomon and Jehoshaphat, the reforms of Hezekiah and Josiah, and the humbling of Manasseh. Consider the different responses people made when confronted with the word of the LORD.

"Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place."

II Chronicles 7:15 (KJV)

The destruction of Jerusalem records the consequences of persistent rebellion. Yet the book closes with Cyrus's proclamation concerning the rebuilding of the house of God, pointing toward return and restoration.

Continue into Ezra to follow the return from exile, the rebuilding of the temple, and the renewed attention given to God's law.
