Welcome to II Kings

II Kings continues the history of Israel and Judah. It records the closing ministry of Elijah, the works of Elisha, the reigns of faithful and unfaithful kings, and the eventual fall of Samaria and Jerusalem.

These 25 puzzles follow the chapters in order. They include Elijah's departure, Naaman's cleansing, the deliverance of Samaria, the reigns of Hezekiah and Josiah, the rediscovery of the book of the law, and the exile of Judah.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Each answer key gives a verse reference and the location of every word.

As you read, notice the repeated calls to hear and obey the word of the LORD. The book records both the consequences of persistent disobedience and the mercy of God toward those who seek Him.

"He trusted in the LORD God of Israel; so that after him was none like him among all the kings of Judah, nor any that were before him."

II Kings 18:5 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of II Kings in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, BRASEN and CARCASE retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 32. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–31 for puzzles alone; pages 32–56 contain the keys.

The Journey Continues

You have completed all 25 chapters of II Kings. These puzzles have followed prophets and kings through extraordinary deliverances, national reforms, persistent rebellion, and the sorrow of exile.

Return to the accounts of Elisha's ministry, Hezekiah's prayer, and Josiah's response to the book of the law. Consider the importance of receiving God's word with humility and acting upon it.

"And it came to pass, when the king had heard the words of the book of the law, that he rent his clothes."

II Kings 22:11 (KJV)

The falls of Samaria and Jerusalem show the seriousness of covenant unfaithfulness. Yet the book's final account of Jehoiachin's release closes with an act of kindness toward an exiled king of Judah.

Continue into I Chronicles to revisit Israel's history through its genealogies and the reign of David, with special attention to worship and the service of the house of God.
