First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 24 chapters of II Samuel, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of II Samuel in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to II Samuel

II Samuel follows David's reign, beginning with his grief over Saul and Jonathan and continuing through victories, covenant promises, personal failures, family sorrow, and the mercy of God.

These 24 puzzles follow the chapters in order. They include David's rule at Hebron and Jerusalem, the bringing of the ark, God's covenant with David, kindness to Mephibosheth, Nathan's rebuke, Absalom's rebellion, and David's songs and final recorded acts.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Each answer key gives a verse reference and the location of every word.

Some chapters describe violence and grievous wrongdoing. Read carefully, distinguishing what Scripture records from what it commends. Notice the seriousness of sin, the need for repentance, and the faithfulness of God.

"As for God, his way is perfect; the word of the LORD is tried: he is a buckler to all them that trust in him."

II Samuel 22:31 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of II Samuel in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, SHEEPCOTE and SHEWETH retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 31. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-30 for puzzles alone; pages 31-54 contain the keys.

The Journey Continues

You have completed all 24 chapters of II Samuel. These puzzles have followed David through mourning and victory, covenant promises and grievous failure, family conflict and deliverance.

Return to the passages that prompted reflection. Consider David's kindness to Mephibosheth, Nathan's courage in confronting sin, and the cost of choices within the royal household.

"The LORD is my rock, and my fortress, and my deliverer;"
II Samuel 22:2 (KJV)

God's covenant in chapter 7 gives the book an enduring place in the unfolding biblical account. David's throne and the promise concerning his house point beyond the events of his own lifetime.

The closing chapter joins judgment with mercy and records David's insistence that his sacrifice should cost him something. Read it alongside his song in chapter 22 as you reflect on dependence upon the LORD.

Continue into I Kings to follow the closing days of David, the reign of Solomon, and the subsequent division of the kingdom.

Reading Notes

Record a verse, a question, or something you learned while reading II Samuel.
