Welcome to Jeremiah

Jeremiah records the LORD's call to His prophet, urgent appeals to repentance, warnings of judgment, and promises of restoration. It follows the troubled final years of Judah, the fall of Jerusalem, and the aftermath of conquest.

This book follows all 52 chapters in order. Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the passage before or after your search, and consider each word in its setting.

Follow Jeremiah's messages, symbolic actions, conflicts with false prophets, and experiences of opposition. Notice the calls to hear the LORD's word and the promises concerning a new covenant and a restored people.

Read each message in its historical and literary context. Distinguish the words of the LORD from the claims of those who resist His message, and consider how warnings and promises fit within the whole book.

"Blessed is the man that trusteth in the LORD, and whose hope the LORD is."
Jeremiah 17:7 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Keys begin on page 61. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 9–60; keys are on pages 61–112. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all 52 chapters of Jeremiah, encountering words of warning, grief, repentance, judgment, and hope. Return to the passages that drew your attention and read them within their prophetic and historical setting.

Consider these questions as you reflect:

- What does Jeremiah teach about hearing and obeying God?
- How does the book expose false confidence and false prophecy?
- Which promises of restoration stood out?
- Which passage will you study more closely or memorize?

“Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.”

Jeremiah 33:3 (KJV)

Continue into Lamentations to reflect on Jerusalem’s sorrow and the hope expressed in the LORD’s mercies and faithfulness.
