Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. Includes 21 puzzles and 420 word entries. Each puzzle contains 20 words. Each word comes from the chapter named on its puzzle.

Each entry was checked against its own chapter in the source text. Hyphens are omitted in grids. Answer-key references identify a verse containing the word; the word may occur in additional verses.

Welcome to John

John presents Jesus Christ as the Word made flesh and the Son of God. Through His signs, teaching, death, and resurrection, this Gospel calls readers to believe in Him and have life through His name.

This book contains twenty-one puzzles with 20 words each, drawn from their corresponding chapters in the King James Version. Read each chapter before or after completing its search.

Follow the account from the witness of John the Baptist to the signs of Jesus, His conversations and teachings, His cross, and His resurrection appearances. Notice the themes of light, life, truth, love, and belief.

Each answer key gives a verse reference for every search word. Return to the full passages to understand their setting and consider the words and works of Christ.

“But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name.”

John 20:31 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Answer keys begin on page 28. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 7-27; answer keys are on pages 28-48. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through words from all twenty-one chapters of John. Read the Gospel again and consider how its signs and teachings testify that Jesus is the Christ, the Son of God.

Consider these questions as you reflect:

- What does the opening chapter reveal about the Word?
- How do the signs point to the identity and authority of Jesus?
- What does Jesus teach His disciples about love and abiding in Him?
- How do the resurrection appearances strengthen belief and renew service?

“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.”

John 14:6 (KJV)

Continue into Acts to follow the witness of the apostles and the spread of the gospel through the power of the Holy Ghost.
