First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 24 chapters of Joshua, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Joshua in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Joshua

Joshua records Israel's entrance into the land God had promised. After the death of Moses, Joshua was called to lead the people with courage and obedience to the word of the LORD.

These puzzles follow all 24 chapters in order. They trace the crossing of Jordan, the fall of Jericho, the consequences of Achan's sin, the campaigns in Canaan, the division of the land among the tribes, and Joshua's final call to serve the LORD.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key includes a verse reference so that names, places, and other words can be explored in their biblical setting.

The chapters describing tribal boundaries contain many unfamiliar place names. Take your time with them. They help show how the promised inheritance was allotted and how the narrative moves from entering the land to living in it.

"Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest."

Joshua 1:9 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Joshua in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, VICTUALS and REREWARD retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 31. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-30 for puzzles alone; pages 31-54 contain the keys.

The Journey Continues

You have completed the journey through all 24 chapters of Joshua, from the command to be strong and courageous to the final covenant gathering at Shechem.

The record joins the faithfulness of God with the responsibility of His people. Victories, setbacks, boundaries, memorials, and solemn warnings all belong to the account of Israel receiving and settling in the promised land.

The fulfillment of God's promises is stated clearly:

"There failed not ought of any good thing which the LORD had spoken unto the house of Israel; all came to pass."

Joshua 21:45 (KJV)

Return to the chapters that stood out to you. Consider Rahab's actions, the memorial stones at Jordan, Caleb's request for Hebron, and Joshua's call for sincere service to the LORD.

Continue into Judges to follow the next period of Israel's history and the consequences of forgetting the LORD and His works.

Reading Notes

Record a verse, a question, or something you learned while reading Joshua.
