Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 21 chapters of Judges, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Judges in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Judges

Judges records a troubled period in Israel's history after the days of Joshua. The people repeatedly turned from the LORD, suffered oppression, and cried out for help. God raised up judges who delivered them from their enemies.

These puzzles follow all 21 chapters in order. They include the accounts of Othniel, Ehud, Deborah and Barak, Gideon, Jephthah, and Samson, as well as the later events that reveal the disorder of life when people forsake God's word.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key provides a verse reference for each word so that you can return to its biblical setting.

Some chapters recount deeply troubling actions and consequences. Read them with care: recording an action does not mean approving it. Notice both the mercy of God in delivering His people and the seriousness of their unfaithfulness.

"Nevertheless the LORD raised up judges, which delivered them out of the hand of those that spoiled them."

Judges 2:16 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Judges in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, VICTUALS and WITHS retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 28. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-27 for puzzles alone; pages 28-48 contain the keys.

The Journey Continues

You have completed the journey through all 21 chapters of Judges. The words in these puzzles have led through accounts of oppression and deliverance, courage and weakness, faithfulness and rebellion.

The book shows how quickly a people can forget the works and commands of God. It also records His mercy in raising up deliverers when Israel cried out under oppression.

The closing verse describes the disorder of the period:

“In those days there was no king in Israel: every man did that which was right in his own eyes.”

Judges 21:25 (KJV)

Return to the chapters that prompted questions. Consider the courage of Deborah and Barak, the calling of Gideon, the warnings in Samson’s life, and the consequences of treating personal desire as the measure of what is right.

Continue into Ruth, a story set in the days when the judges ruled, to see faithfulness, kindness, and the providence of God within the life of one family.
