Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 27 chapters of Leviticus, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Leviticus in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Leviticus

Leviticus records the instructions God gave Israel concerning sacrifice, priestly service, purity, worship, and holy living. Set after the building of the tabernacle, it teaches the seriousness of approaching a holy God and the responsibilities of a people set apart for Him.

These puzzles follow all 27 chapters in order. They begin with the offerings and the consecration of Aaron and his sons, then move through laws of cleanness, the Day of Atonement, daily conduct, the appointed feasts, the sabbath year, and dedicated things.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. The answer key gives a verse reference for every word so you can return to its setting in Scripture.

Some terms will be unfamiliar. Let them prompt careful reading: What was being offered? Who was responsible? What did God command? The repeated details remind us that worship and obedience were to be shaped by His word.

“For I am the LORD that bringeth you up out of the land of Egypt, to be your God: ye shall therefore be holy, for I am holy.”

Leviticus 11:45 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Leviticus in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, JUBILE and OSPRAY retain the spellings used in the KJV. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 34. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-33 for puzzles alone; pages 34-60 contain the keys.

The Journey Continues

You have completed the journey through all 27 chapters of Leviticus. The words you found have introduced or reinforced the vocabulary of sacrifice, atonement, priestly service, purity, and holy living.

The many details belong to a larger message: God is holy, and His people were called to honor Him in worship and in daily life. Reverence for Him was joined to honesty, justice, care for the poor, and love for one's neighbour.

Leviticus states this responsibility plainly:

“Ye shall therefore keep my commandments, and do them: I am the LORD.”

Leviticus 22:31 (KJV)

Return to the chapters that raised questions. Read each instruction in its setting within God's covenant with Israel. As you continue through Scripture, consider how the New Testament explains the sacrifices and priesthood in relation to the Lord Jesus Christ.

The puzzles are complete, but the study can continue. Turn next to Numbers to follow Israel's journey in the wilderness.

Reading Notes

Record a verse, a question, or something you learned while reading Leviticus.
