Welcome to Luke

Luke records the birth, ministry, death, and resurrection of Jesus Christ. His Gospel tells of the Saviour's compassion, His teaching about repentance and faith, and His welcome to those who come to Him.

This book contains twenty-four puzzles with 20 words each, drawn from their corresponding chapters in the King James Version. Read each chapter before or after completing its search.

Follow the account from the announcements to Zacharias and Mary through the birth of Jesus, His journeys and parables, and the joyful witness to His resurrection. Notice His concern for the lost and His teaching about prayer.

Each answer key gives a verse reference for every search word. Return to the complete passages to understand their setting and consider the words and works of Christ.

“For the Son of man is come to seek and to save that which was lost.”

Luke 19:10 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Answer keys begin on page 31. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 7-30; answer keys are on pages 31-54. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through words from all twenty-four chapters of Luke. Read the Gospel again and reflect on the compassion, teaching, and saving work of Jesus Christ.

Consider these questions as you reflect:

- How do the opening chapters announce the coming of the Saviour?
- What do the parables teach about repentance, mercy, and discipleship?
- How does Jesus model and teach prayer?
- How do the resurrection appearances bring understanding and joy to His followers?

“He is not here, but is risen: remember how he spake unto you when he was yet in Galilee,”

Luke 24:6 (KJV)

Continue into John to consider the signs and teachings that testify that Jesus is the Christ, the Son of God.
