Original puzzle arrangements, editorial material, and book design are reserved to the copyright owner. Scripture wording and search terms are drawn from the King James Version (KJV).

First edition, 2026. Formatted for 8½ × 11-inch paper. This book contains one puzzle for each of the 13 chapters of Nehemiah, with 20 chapter-specific word entries per puzzle. Some words recur in different chapters.

Text preparation: chapter vocabulary was checked against a digital transcription of Nehemiah in the King James Version. Hyphens are omitted in the grids; spelling otherwise follows the source text. Chapter titles are editorial descriptions.

Welcome to Nehemiah

Nehemiah records the rebuilding of Jerusalem's walls and renewed commitment to the word of God. It begins with a prayer prompted by distressing news and follows the work through opposition, perseverance, and reform.

These thirteen puzzles follow the chapters in order. They include the builders and returning families, Nehemiah's leadership, Ezra's reading of the law, the people's confession, and the dedication of the wall.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key gives a verse reference and the location of each word.

"So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work."

Nehemiah 4:6 (KJV)

Notice how prayer and practical responsibility appear together. The people build, watch, listen, confess, and worship as the city is restored and the law is heard again.

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Nehemiah in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, HABERGEONS and VICTUALS retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 20. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7-19 for puzzles alone; pages 20-32 contain the keys.

The Journey Continues

You have completed all thirteen chapters of Nehemiah. These puzzles have followed the rebuilding of Jerusalem's walls and the renewal of the people's attention to God's word.

Return to Nehemiah's prayers, the names of those who worked on the wall, and the reading of the law in chapter 8. Consider how leadership, shared responsibility, and understanding Scripture contribute to the life of the community.

"So they read in the book in the law of God distinctly, and gave the sense, and caused them to understand the reading."

Nehemiah 8:8 (KJV)

The final chapter shows that faithfulness required continued attention even after the wall was completed. Read the reforms within their covenant setting and reflect on the importance of sustained obedience.

Continue into Esther to encounter another account of the Jewish people under Persian rule, marked by danger, courage, and deliverance.
