Welcome to Numbers

Numbers follows Israel from the wilderness of Sinai to the plains of Moab. Its record includes the numbering and ordering of the tribes, the service of the Levites, the journey through the wilderness, and preparations for entering the promised land.

These puzzles follow all 36 chapters in order. They recall the silver trumpets, the twelve spies, the rebellion of Korah, the budding of Aaron's rod, the brasen serpent, Balaam's prophecies, and the instructions concerning offerings, vows, cities, and inheritance.

Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search. Every answer key provides a verse reference for each word, helping you connect names and details with their place in the biblical record.

Numbers records both unbelief and faithfulness. As you read, notice the consequences of rebellion, the patience and holiness of God, and His care for His people through their long journey.

"The LORD bless thee, and keep thee:"
Numbers 6:24 (KJV)

How to Use This Book

Read the chapter

Each puzzle corresponds to the chapter number printed at the top. All 20 listed words occur in that chapter of Numbers in the KJV.

Search in every direction

Words may run horizontally, vertically, or diagonally, forward or backward. Every word follows a straight line. Words may cross or share letters.

Mark each discovery

Circle or highlight the word in the grid, then check its box in the word list. Each listed word has one verified occurrence in its puzzle.

Keep the KJV spelling

Older spellings and Bible names are intentional. For example, BRASEN and JUBILE retain KJV spellings. Hyphens, if present, are omitted from the grids.

Use the answer keys

The answer section begins on page 43. Each key includes a highlighted grid, a verse reference for every word, and start-to-end coordinates. Row 1 is at the top; column 1 is at the left.

Print comfortably

Print at actual size on letter-size paper. Grids and answer shading are designed for black-and-white printing. Print pages 7–42 for puzzles alone; pages 43–78 contain the keys.

The Journey Continues

You have followed Numbers through all 36 chapters, from the first census at Sinai to the final instructions given on the plains of Moab. The names, places, and details in these puzzles belong to the history of a people learning to depend upon God.

The wilderness record includes fear, rebellion, judgment, intercession, mercy, and renewed preparation. God's commands were not incidental to the journey; they governed the camp, the worship, the leadership, and the responsibilities of the tribes.

The priestly blessing expresses the hope of life under His care:

“The LORD bless thee, and keep thee:

The LORD make his face shine upon thee, and be gracious unto thee:

The LORD lift up his countenance upon thee, and give thee peace.”

Numbers 6:24–26 (KJV)

Return to passages that caught your attention. Consider the faith of Joshua and Caleb, the responsibility of leadership, and the contrast between trusting God and resisting His word.

Continue into Deuteronomy, where Moses addresses Israel as the people prepare to enter the land God had promised.

Reading Notes

Record a verse, a question, or something you learned while reading Numbers.
