Welcome to Proverbs

The Book of Proverbs offers instruction in wisdom, righteousness, judgment, and equity. It directs the reader to the fear of the LORD and applies wise instruction to speech, work, relationships, integrity, and daily decisions.

This book follows all 31 chapters in order. Each puzzle draws its words from that chapter in the King James Version. Read the passage before or after your search, and consider how each word contributes to its message.

Follow the opening appeals of wisdom, the sayings of Solomon, the words of the wise, the sayings of Agur, and the words associated with King Lemuel. These puzzles provide an opportunity to slow down and notice the vocabulary of each chapter.

Read individual sayings in their literary context. Consider the contrasts between wisdom and folly, righteousness and wickedness, diligence and slothfulness, and gracious speech and harmful words.

“The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction.”

Proverbs 1:7 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Keys begin on page 38. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 7–37; keys are on pages 38–68. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all 31 chapters of Proverbs, encountering instruction about the fear of the LORD, wise speech, honest work, self-control, relationships, and integrity. Return to the sayings that drew your attention and consider their meaning in context.

Consider these questions as you reflect:

- What does it mean to receive wise instruction?
- Which saying challenges the way you speak or listen?
- Where can you practice diligence, honesty, or generosity?
- Which verse will you commit to memory?

“Trust in the LORD with all thine heart; and lean not unto thine own understanding.”

Proverbs 3:5 (KJV)

Continue into Ecclesiastes to reflect on life, labor, the passing of time, and the call to fear God and keep His commandments.
