Welcome to Song of Solomon

The Song of Solomon is rich in the language of love, longing, beauty, and delight. Its poetry draws on gardens, vineyards, spices, flowers, and the changing seasons to express affection and the desire for closeness.

This book follows all eight chapters in order. Each puzzle contains 20 words drawn from its own chapter in the King James Version. Read the chapter before or after completing the search to appreciate the setting and imagery of each word.

Notice the recurring references to the beloved, the daughters of Jerusalem, and the countryside. Let the complete passage guide your reading of the poem's comparisons and expressions.

The puzzles offer a quiet companion to reading the biblical text. They preserve its vocabulary without replacing the careful attention that poetry invites.

"Many waters cannot quench love, neither can the floods drown it: if a man would give all the substance of his house for love, it would utterly be contemned."

Song of Solomon 8:7 (KJV)

How to Use This Book

Read the chapter

Each puzzle identifies its chapter and answer-key page. All search words appear in that chapter in the KJV.

Search in eight directions

Words run horizontally, vertically, and diagonally, forwards or backwards. Every listed word has one verified location in its grid.

Mark each discovery

Circle or highlight the word in the grid, then check the box in the word list. Words can share letters.

Keep the KJV spelling

Search for the word exactly as printed. Hyphens are omitted. No spaces or punctuation appear inside the grid.

Use the answer keys

Keys begin on page 15. Gray lines mark each solution. Tables provide verse references and starting and ending coordinates as (row, column).

Print comfortably

Print at actual size on letter paper. Puzzles are on pages 7-14; keys are on pages 15-22. Single-sided printing leaves room for notes on the reverse.

The Journey Continues

You have searched through all eight chapters of the Song of Solomon, encountering the language of affection, longing, beauty, and enduring love. Return to the passages that drew your attention and read their images within the flow of the poem.

Consider these questions as you reflect:

- Which images of gardens, flowers, or seasons stood out?
- How does repetition contribute to the poem's message?
- What do its expressions suggest about the value of love?
- Which passage would you like to read more carefully?

"I am my beloved's, and my beloved is mine: he feedeth among the lilies."
Song of Solomon 6:3 (KJV)

Continue into Isaiah to encounter the prophet's messages of holiness, judgment, comfort, and the promised salvation of the LORD.
